Dear Harold:

This is in further response to your note of July 27th. I am having our files checked on Carlos Bringuier and Guy Banister. It may take a couple of days before a check of the files is completed. As soon as it is I will send along to you what they show with the understanding that you are not to attribute the information to us as a source without our previous clearance and consent.

The question of attribution or, as you put it, credit, is one that would have to be decided by my superiors.

It is always good to hear from you. I look forward to reading your latest book. Best wishes on the circulation and sale. Frieda sends her love. Nancy is due back from Europe this Wednesday. I am sure she will enjoy reading your book.

Regards to Lil.

Sincerely,

Sol Rabkin
